

Black Gold Regional Division No. 18

Consent for release of information to School Council

(This information is collected and distributed in accordance with the Freedom of Information and Protection of Privacy Act, Section 33)

The school has a **School Council** which represents the parents and engages in activities in support of the school. School council members need to be able to contact parents about the following possible items: meeting notification, special events, obtain your opinions and comments about school matters so council can work with the principal, sharing information on matters that affect public education, volunteer, and fundraising activities. The school will normally make the parent / guardian name, phone number, email and mailing address as well as the student's name and grade available to the School Council for contact purposes; however, consent is required for the school to do this, and consent only applies to the current school year.
