d.) Grad Update - Joelene Peterson

- Next meeting on January 15 at 7pm at the legion for grads and parents that want to help plan.
- Dessert Theatre and silent auction tickets are now on sale at the office for \$25/ticket. We are looking for donations.
- The Grad parents would like to ask if the school council/fundraising committee would like to donate money towards paying for portable project screens. These would then be used every year for the grad class instead of every year the grad class is spending money on renting them.
- *Discussion on whether purchasing screens was something the school would want, as it would become property of the school, for example storage, accessibility, etc.*
Discussion on purchasing would be for the Fundraising Association. More information is needed from the Grad Committee on costs etc.
- *Also suggested that the Town of Calmar may have multiple screens that could be borrowed or rented for a minimal cost.*
